

Stephen J. Scardon

Allstate Ins. Company.

Dear Mr. Schueller,

I am writing to express my gratitude for your  
Colts Neck Agency. I am sixty one years old, and over  
those sixty one years I have never found any company  
or business which was more professional, than the staff  
at Colts Neck. In addition they are always willing to  
answer any questions I might have. Vince & Pat are  
wonderful people to deal with. They are patient and friendly  
and know their business.

In closing I really feel I am in good hands with Allstate.  
Thank you for your attention to this letter.

Yours truly,  
Stephen J. Scardon
