To Whom It May Concern:

We have been customers of Vincent Scanelli's Colts Neck Allstate insurance agency since 2001. Vincent and his staff have been extremely professional, pleasant, helpful, and easy to do business with over the years. Our insurance needs are diverse which our previous carriers did not readily understand or accommodate. We were looking for more than commodity insurance packages cobbled together from multiple carriers. We found the Scanelli Agency to be very knowledgeable and understanding with respect to our insurance needs. We highly recommend his agency.

Perhaps more importantly, given the financially tight times we live in, we found his product offerings and services to be extremely competitive to other firms and agencies. We have everything from car insurance, life insurance, and home insurance with his firm.

We gladly recommend Vincent and his team.

Sincerely,

Lee & Sue Wilson
