

To Whom it may concern

I would like to take this opportunity to recommend Vince Scanelli & Ed Amorski of the Allstate Agency for all types of insurance and estate planning needs. As a parent of a special needs child I understand how busy you are and how daunting even the thought of setting up a special needs trust can be. I can only tell you that an insurance representative who understands this can make all the difference. Vince & Ed are that type of agents. As we have two children our trust was more complex however, they made it easy by guiding us through every step of the process. They even took it upon themselves to coordinate some of the specific wording with our attorney. I cannot tell you what a relief it is to have a special needs trust in place and to know that whatever happens my son will be taken care of and not be at the mercy of the state and social security.

Sincerely

Bruce Berryhill
